

# THORLABS is Coming to Boulder, CO!

Join us for a day of technical discussion, optics games, contests, and giveaways.

Wednesday, May 1st

10 AM – 3 PM

**Hotel Boulderado**  
2115 13th St, Boulder, CO 80302

You'll have the opportunity to get hands-on experience with new quantum technologies products, including single-photon devices and our newest educational kit. Food will be served all day and members from our technical team will be on-site to discuss our capabilities and understand how we can improve our quantum offering to better equip your needs.

Thorlabs' Prism-Award-Nominated  Mobile Photonics Lab Experience will also be onsite providing hands-on demonstrations and education experiences.
